PROFESSIONAL EXPERIENCE

factoHR (SaaS HR Platform)

June 2025 – Present

Outreach Team Lead (Promoted from SEO Outreach Specialist)

- Run outreach campaigns targeting **500–600 prospects monthly at a 6–8% reply rate**, converting to roughly **20 live editorial placements per month** across SaaS and B2B targets.
- Mapped the sources ChatGPT, Perplexity, Gemini, and Claude cite for factoHR's commercial queries, then ran a targeted GEO campaign that **got factoHR cited alongside and above established competitors** in AI-generated answers.
- Built custom outreach automations in Gumloop that cut execution time on repeatable tasks (contextual placement discovery, internal linking, AI-assisted content drafting) by roughly 70%.
- Secured placements within direct competitors' listicles through cold pitches that framed inclusion as a clear benefit for the editor, at no cost.
- Worked with link builders at reputable agencies **serving major brands including Adobe**, securing service page placements on sites whose editorial policies typically restrict links to blog content only.
- Audited factoHR's link profile against the top 5 competitors to **close anchor text distribution gaps** and improve alignment with target page intent.
- Promoted to **lead and coach a team of three** on outreach psychology, negotiation tactics, and editor relationship management.

factoHR (SaaS HR Platform)

Jan 2024 – May 2025

SEO Outreach Specialist

- Acquired an average of **15+ targeted, editorially placed backlinks per month** at an **average DR of 50+**, contributing to a **23% improvement in organic visibility in 6 months** for target commercial pages.
- Built and maintained active relationships with **50+ genuine SaaS and service-based sites (SiteBulb, Cloudways)** through value-first outreach, creating a reliable pipeline of editorial placements.
- Negotiated and closed cross-promotional **partnerships with direct competitors**, resulting in reciprocal editorial placements and no-cost listicle promotions.
- Secured free featured placements for factoHR in aggregator platform listicles that typically charge listing fees by building direct relationships with editors.
- Built a personal **AI prompt library and an automated Google Apps Script tracker** for SERP monitoring and lost-link reclamation, extending research and monitoring capacity without added headcount.

Creatofox Communications Pvt Ltd.

2023 – 2024
